

The Stables

THE HOME OF HOUSES
FOR HORSES

Advantages over other types of horse stables.

- Sound concrete wall and roof construction
- Flowthrough ventilation
- Modular design to suit all requirements
- Maintenance free
- Cool in Summer: warm in Winter
- Total prefabrication for easy relocation
- Leasing finance taxation advantages
- Build one stable now – and more later
- Fast and easy construction
- Competitive prices
- Designed to Local Authority building requirements.

Your horse deserves better than a tin shed!
